Dear Sir:

Applicant petitions for refund of the \$790.00 charge on July 18, 2007 to Deposit Account No. 23-0920 fee for duplicative processing by electronic submission for the Required Request for Continued Examination fee.

Applicant submits that this duplicative charge was an error in the United States Patent & Trademark Office's EFS system. Upon reviewing the image wrapper, Applicant's initial submission did not appear to have record of the Request for Continued Examination fee transmission, so Applicant electronically filed a second Request for Continued Examination fee transmission. Then Applicant reviewed image wrapper and notice the RCE transmission fee was processed twice.

Applicant requests that a credit be issued to Applicant's Deposit Account No. 23-0920 in the amount of \$790.00.

Respectfully submitted,

July 20, 2007
